The Child Alive!® Institute and course of study is designed to encourage and enlighten the mind of the educator to embrace the child as God designed, created, and desires the child to be— that is “fully alive!”

The Catechisms of old stated that the “full purpose of man is to love God and enjoy Him forever.” In this context of being “fully alive” we invite you to engage in discussion, classroom participation, student teaching, theoretical application, essay assignments, and mentorship that will train the educator/practitioner for a lifetime view of the child from a biblical, practical, and substantial perspective.

The Child Alive® Institute was established in 2007 for the express purpose of changing the world, one, educator at a time. It was the founders’ intent to create a training institution that would further the work of those who viewed children as Jesus, who said, “the Kingdom of Heaven belongs to such as these.”

The Child Alive® Institute was founded by Mrs. Marlene Lee and Mrs. Michelle Thompson who have trained over a 1,000 children and many adults and look forward to working with you!!
