Nonna's

Intergenerational Christian Montessori

About Nonna's

We have 3 classroom environments, each of which is tailored to meet the needs of the corresponding age. The classrooms emphasize natural light, a connection to nature with plant life and animal life, and personalized activities designed to maximize engagement and learning at all ages.

A Typical Day at Nonna's will include:

- Warm welcome with handshake into our clean and calm environment
- Delicious morning and afternoon snacks and a specially ordered catered lunch
- Intergenerational activities: we meet twice daily to share a time of exercise/movement
- Regular time of worship, Bible stories and art response
- Practical Life skills, focal point work, and tending to care of oneself and the environment
- Intentional caregiver support for families

Why Choose Nonna's

Research has shown that intergenerational connection is highly valuable for both children and elders. Social connection, high quality nutrition and physical activity have demonstrated the ability enhance brain development in children as well as slow the rate of cognitive decline in elders. Our greatest hope is that our community will promote optimal health for our participants, as well as their families. Christian Montessori is intentional, inspirational, and individualized!
