CHRISTIAN MONTESSORI

RE-IMAGINE EDUCATION

Dear Valued Member of the
Business Community,

In 2021, Hand In Hand Christian Montessori celebrates 22 years of transforming the lives of learners, families, and generations to come through reimagined education that is individual, innovative, and inspirational.

Hand In Hand is funded by tuition and the generous donations of businesses and people like you. Financial gifts build our annual fund that provides **scholarship support** and funds to **upgrade our technology** for better data security.

We invite you to invest in this great work and reap the eternal inheritance of advancing the Kingdom here on Earth. As a corporate sponsor of our upcoming Gala, your business will be promoted in multiple ways, gaining exposure of over two decades of community connections.

This year our Annual Legacy Gala will take place during the evening of April 24 at North Heights Lutheran Church in Arden Hills, MN.

Thank you for your kind consideration
for such a worthy cause.
