

BOOK CLUB: 4th - 6th

We want to help our students love reading, read excellent literature, and learn to be lifelong readers and learners! Participating in Book Club is one way to promote all of these. Book Club is held once a month and is optional, but highly encouraged, for students. To participate, students read the assigned book for the month as well as complete the project and bring it to school on the day of Book Club which is held over lunch in the classrooms. A special treat is served to all who participate.

* Book club dates are communicated in your child's weekly HANDLE.
