

Orton-Gillingham Reading Support

Hand In Hand, Roseville

Does your child struggle with reading, writing, or spelling?

OG is a very structured linguistic approach for supporting students in these areas. It is language-based, multisensory, sequential, cumulative, and emotionally sound.

It can be taught 1 on 1 or in small groups.

OG follows the child and is adapted to his or her reading abilities.

Instruction is typically 45 minutes to one hour, twice weekly.

Contact E1 veteran teacher, LaVonne Bluhm, with questions or to discuss how the OG approach can benefit your child.

Reading should not be presented to children as a chore or duty.

It should be offered to them as a precious gift. —Kate DiCamillo
